The Future Is Technology — Create Your Place In IT!

Online Training Hosted by WorkSource and CompTIA

The CompTIA A+ Live Online IT Training Program starts October 12, 2020. Apply now!

Worksystems, Inc. has partnered with CompTIA, the world's leading IT association, to get unemployed people back into the workforce. This 8-week, full-time live online IT training package covers computer curriculum geared toward the CompTIA A+ certification, and includes everything you need to get IT certified and land your first IT job, even without prior experience... And we're offering it for free! Even more, students participate in a series of interactive, soft skills training courses to help them move into new IT jobs and up the career ladder.

CompTIA A+ is the industry standard for launching IT careers in today's digital world. IT pros who hold CompTIA A+ make, on average, \$51,375.
